ENGINEERING NEWS-RECORD

INDEX

VOLUME 153 JULY–DEC. 1954

A

Accidents

Bonneville Dam spillway flow upsets tug, drowns five....Aug. 26 26
Honolulu's Koolau tramc tunnel caving. July 29—25, Aug. 12—..Sept. 16 25
Honolulu's Koolau tunnel re-study suggested....Aug. 26 *25
New York Thruway blasting halted by damage reports....Sept. 2 22
Philadelphia gas explosions due to over-age mains, sewers....Sept. 9 40

Aeronautics

Airports
Airport terminal buildings — unit costs (tables)....Oct. 7 190
Azores Air Force base project to employ precast concrete construction for 20% savings....Aug. 5 (F) *41
Blumenthal Field tests ceramic blocks for runways....Aug. 19 *24
Canada to enlarge leading airports. Dec. 16 47
Colombian airport projects....July 29 69
Denver considers proposals for airport luxury hotel....Sept. 30 38
Dover Air Force Base, Del. improvement (unit prices)....Nov. 25 46
Federal aid for airports....Aug. 26 24
Forbes Air Force Base, Kansas pavement (unit prices)....Oct. 7 224
Group urges CAA to relax airport construction rules....Dec. 30 19
Hongkong airport project faces silt, fill problems....Oct. 7 284
Honolulu International Airport—new terminal....July 8 (F) *52
Indiana airports to get federal funds Aug. 26 45
Jacksonville, Fla. Air Force Base—buildings (unit prices)....Oct. 7 224
Lambert-St. Louis Airport terminal building's thin-shell concrete roof July 1 *25
Libya approves U. S. air bases.Oct. 28 39
Lincoln Air Base—expanding to two-wing size....Sept. 23 (F) *39
London Airport's new terminal is centered in middle of field, has access by tunnel....July 1 *52
Oakland, Calif. port board clears airport project....Aug. 19 (F) *53
Oakland International Airport expansion objections filed....Nov. 4 28
Offutt Air Base—dredge moved cross-country to pump fill on runway extension....Aug. 5 *25
Toledo, Ohio, airport dedication Nov. 18 30
What's new in airport terminal buildings? F. S. Merritt..Nov. 18 (F) *34
What's new in airport terminal buildings?—Airline view on terminals. Charles Froesch....Dec. 16 8
What's new in airport terminal buildings?—The future for airports. F. E. Gross....Dec. 9 6

Cleveland, Ohio, laboratory of National Advisory Committee for Aeronautics is capable of expanding when internal temperature rises....Nov. 11 *26

Grumman's jet-plane plant keeps out the noise....July 29 (F) *32

Hangars
Bergstrom Air Force Base, Tex. hangar fire protection, water supply (unit prices)....Sept. 2 114
Greater Pittsburgh airport—long three-hinged arches. Dan Byrd Sept. 2 10
Temco Aircraft suspended-cantilever production hangar....July 8 *25
Helicopters
Helicopter lands on float....Nov. 18 *27
Norfolk, Va. surveys possible helicopter sites....Oct. 28 23
Planning for helicopters....Dec. 9 e128
Heliports
Fort Eustis, Va., heliport nearly completed....Aug. 22 *23
Houston, Texas garage may add heliport to roof design....Oct. 14 (F) *40
Virginia army base (unit price) Oct. 7 *220
Metal adhesives for aircraft structures prove effective in NBS tests..Dec. 9 58
Nike base construction slowed by labor trouble....Nov. 18 158
Nike guided missile air defense delayed Sept. 9 23
Nike installations guard against air attack....Oct. 14 *25
Radar platforms
Open ocean test for construction Dec. 2 e100
Sea-going drillers get radar platform data. R. H. Dodds....Oct. 14 (F) *38
U. S. Air Force offshore platforms: a challenge to builders. J. J. Albers Nov. 25 (F) *27
U. S. moving fast to build huge radar net....Aug. 12 (F) *23
Spain
Airbase projects near bid stage (map)....July 29 24
Air Force bases—bids submitted by Spanish contractors....Sept. 16 23
U. S. Air Force to house stockpile of machine tools in old mine...Nov. 11 *24
U. S. Air Force Academy
Architect-engineers selected..July 29 23
Preliminary planning underway Oct. 28 20
U. S. Air Force to rush Academy project....July 1 21

Air Conditioning

Dehumidifying system for mine to house stockpile of machine tools for the Air Force....Nov. 11 *24
Kansas City, Mo. puts curb on air conditioners in alarm over increased water waste....Aug. 19 60
Phoenix, Ariz. to air condition schools and place them on year around basis Dec. 23 21

Air Pollution

Los Angeles six-year smog study report —Stanford lays blame on ozone Aug. 19 58
Los Angeles smog research underway Nov. 4 *23
Air Pollution see also Smoke Abatement

Aluminum

Argentina prepares plans for first aluminum plant....July 8 70
Canada's Kitimat construction pays off in aluminum. L. L. Wise..Aug. 12 (F) *32
Canada's Kitimat workers will have a planned town. L. L. Wise (map) Aug. 19 (F) *40
Colored aluminum facade for Cincinnati office building....July 1 23
Dallas, Tex. aluminum clad skyscraper boasts lightest wall to date July 15 (F) *30
Houston, Texas garage with aluminum-plastic skin....Oct. 14 (F) *40
Kaiser Aluminum plans another big mill....Sept. 2 *118
New York skyscraper enclosed in 10 hours with aluminum panels..July 1 *23
Richmond-San Rafael bridge truss erection speeded with aluminum spans 280 ft. long....Nov. 4 (F) *33
San Francisco's first aluminum skin building....Dec. 9 30
American Assn. of State Highway Officials 40th annual meeting in Seattle endorses President's highway plan Nov. 18 23
McCoy takes over top post..Nov. 11 (F) *53
American Institute of Consulting Engineers
Hoover medal awarded to A. P. Sloan Jr. Oct. 21—25; Correction Nov. 11 11
Interpretation of principles. T. T. McCrosky....Nov. 18 10
American Public Works Association
Congress approves standard forms for bids and contracts....Sept. 30 21
Presidency to honor Warren A. Codlidge Sept. 16 (F) *57
American Road Builders Assn.—annual meeting to feature highway materials Aug. 19 29
American Society for Engineering Education—Urges broader curricula July 1 28
American Society of Civil Engineers
Convention spotlights professional matters....Oct. 28 (F) 15
Disciplines bidders....Sept. 9 21
Disciplines bidders — Bidding issue forged more firmly....Sept. 16 e120
Establishes award to honor Ernest E. Howard....Dec. 23 18
Glidden, W. R. to become new president....Oct. 14 25
Honorary memberships awarded..Oct. 21 *24
President reveals bid definition study Oct. 28 15
Wisely, W. H. to be new secretary Oct. 21 *25
Andress, George W.—appointed city engineer for Newark, N. J....Oct. 7 *286
Aqueducts—Engineers seeking cause of circumferential break in steel pipe section of Calif. San Luis Rey aqueduct....Dec. 30 17

Architects

Architect new business in 1953—by size firm and type of work (table)..July 22 63
Architect-engineer new business in '53—by size of firm and type of work (table)....Aug. 12 101
Associated General Contractors — Contractors take sharp look at construction policies. E. E. Halmos Jr. Oct. 7 (F) *71

Atomic Energy

Alcoa wins contract to build Army package atom reactor....Dec. 23 49
Atomic energy law opens new construction era....Aug. 26 63
Demand will spur atomic power plans Oct. 21 21
EJC sets up committee to study nuclear power....Oct. 7 76
Making dreams come true....Sept. 2 e144
Manitoba Hydro-Electric Board power expansion program....Dec. 16 50
New England utilities form atomic energy subsidiary....Sept. 23 71

* Illustrated; e, editorials; (F) Articles over a page

Nuclear power is on the way...Nov. 4 e112
Portable atom plant—Army engineers ask bids.....Aug. 26 23
Reactor report—AEC sums up foreign progress.....Aug. 5 52
Rocky Mountain Nuclear Power Study Group—Regretted omission. R. J. Krieger.....Nov. 25 8
University of Michigan gets approval for atomic unit.....Dec. 23 20
Venture capital group will study atom uses.....Oct. 14 61
What nuclear energy does to construction costs. J. M. Ruddy (tables) Oct. 7 192

B

Beams

Boeing Airplane warehouse to have prestressed concrete beams..Nov. 11 24
Novel prestressing techniques for bridges on Garden State Parkway. N. J. M. E. Bender.....Aug. 19 (F) *32
Prestressed concrete beams in 4½ story Los Angeles building....Nov. 11 (F) *33
Suspended-span deck for wharf prestressed.....Aug. 26 (F) *36

Blasting

Improved blasting methods sought for underground room construction. S. G. A. Bergman (table)..Dec. 9 (F) *37
New York Thruway blasting halted by damage reports.....Sept. 2 22

Bonds

Absentee bond votes counted—turnabout victory for San Francisco sewage improvements is the result Aug. 26 44
Bond market picking up.....Oct. 14 60
Case of congestion: bonds pour in too fast for comfort.....Sept. 30 52
Chicago plans to offer Calumet Skyway Toll Bridge bonds.....Dec. 16 81
Houston, Tex. approves bond issue for freeway extensions and acquisition of rights-of-way.....Aug. 19 *56
Installment buying of sewage plants. S. I. Zack.....Sept. 2 (F) *34
Kansas Turnpike—issue scheduled for completion Oct. 1.....Sept. 16 26
Louisiana goes ahead with bond issue voters defeated.....Dec. 2 83
Miami's big exhibit center—bonds may be sold next year.....Nov. 25 47
Municipal bond market eager for more Nov. 18 151
N. J. Senate studies medical college financing.....July 29 56
Prudential sells New Jersey Turnpike bonds, cashes a tidy capital gain Dec. 2 (F) 79
State support for toll-road bonds July 8 e156
Voters have big bond issue to look over Nov. 2.....Oct. 21 65
Wall Street's bond schedule suggest busy years ahead for heavy construction.....Sept. 16 93

Book Reviews

Aerodynamic stability of suspension bridges, Pt. 4. F. B. Farquharson. Pt. 5. G. S. Vincent.....Sept. 16 66
Building estimator's reference book. F. R. Walker.....Aug. 26 52
Dams and control works. Bureau of Reclamation.....Sept. 16 66
Fresh water from the ocean: for cities, industry and irrigation. C. B. Ellis & others.....Sept. 2 81
Highway engineering. Hewes & Oglesby.....Nov. 18 99
Introduction to nuclear engineering. R. L. Murray.....Oct. 7 315
Lightweight insulating fireproof concrete roof deck specification manual. D. A. Lehr.....July 29 74
NFPA handbook of fire protection. Crosby-Fiske-Forster.....Aug. 19 93
Public roads of the past, Pt. 2. Historic American Highways. A. C. Rose Nov. 18 99
Residual stresses in metals and metal construction. ed W. R. Osgood..Oct. 7 315
Steel skeleton Vol. 1 Elastic behavior and design. J. F. Baker.....Oct. 7 316
Timber construction standards. American Institute of Timber Construction Sept. 16 68
Water supply and waste-water disposal. Fair & Geyer.....Dec. 2 58
Welding engineering. B. E. Rossi Sept. 2 81
Brewers invest $100 million in Far West. July 1 (F) *36

Bridge Construction

Aluminum spans, 280 ft. long, speed Richmond-San Rafael bridge truss erection.....Nov. 4 (F) *33
Barges place span over Savannah River after off-site erection...July 8 *26
Buffalo Ship Canal bridge has longest steel girder spans.....Dec. 9 *26
Buffalo, N. Y. waterfront bridge to contain record girders.....July 8 *28
Canada—British Columbia plans bridge across Kootenay Lake.....Aug. 12 60
Chart eases moment calculations.Oct. 7 320
Chicago's Calumet Skyway—toll bridge, elevated roadway project nears construction stage.....Dec. 30 17
Columbia River span to parallel present bridge approved.....July 15 22
Delaware River highway bridge contract dispute—firm claims toll bridge agency was responsible for extra costs.....Dec. 23 18
Florida's Sunshine Skyway—error in report of county seat. S. L. Van Norden.....Sept. 30 12
Florida's Sunshine Skyway will double region growth rate (map) Sept. 2 (F) *30
Florida's Tampa Bay—second prestressed concrete bridge under way Nov. 11 26
Grain storage conveyor bridge placed in 15 minutes.....Aug. 26 *27
Hampton Roads, Va., approach bridges to tunnel—bids asked for....Sept. 16 24
Hampton Roads, Va. bridge-tunnel construction to begin.....Oct. 14 *23
Hudson bridge, N. Y., superstructure (unit prices).....Sept. 2 114
Hurricane Carol lifts steel barge atop two cofferdams of new bridge over Sakonnet River, R. I.....Dec. 30 *20
Indiana plans first bridge in 15 years Aug. 12 56
Kansas City, Mo.—Broadway Bridge construction starts.....Nov. 25 21
Kansas City Paseo toll bridge—trucks make counterweight to align girders Aug. 19 *25
Kirwan Dam bridges (unit prices) July 22 60
Mackinac Straits Bridge builders race against time.....Sept. 2 *26
Mackinac Straits Bridge—towers placed to moor pier.....July 15 25
Marpole Highway Bridge—two-bridge system.....Dec. 16 47
Mississippi River bridge to set record Oct. 21 22
New Jersey bridge excavation (unit prices).....Aug. 26 66
New York City building bridge between Queens and Welfare Island....Oct. 7 *77
New York Thruway bridge going up across Hudson River.....Aug. 19 *28
Novel prestressing techniques for bridges. M. E. Bender..Aug. 19 (F) *32
Ohio road and bridge job (unit prices) Aug. 19 50
Ontario bridge project bids sought July 15 25
Ontario withdraws call for engineering bids on harbor bridge.....Aug. 19 23
Potomac River bridge authorized July 15 43
Prestressed concrete bridge prices compared (tables).....Oct. 7 199
Relocation of concrete footbridge at Ford Motor Plant, Metuchen, N. J. July 15 (F) *32
Revised navigational requirements drafted by federal agencies....Nov. 4 26
Richardson Bay Bridge contract bidding close.....July 29 26
Richardson Bay Bridge prestressing and record size driven piles feature bidding (table).....Oct. 7 203
Sacramento, Calif. builds bridge across street.....Sept. 16 *46
St. Lawrence River pontoon bridge from Hawkins Point to Barnhart Island to be built.....Sept. 30 24
Saner bridge clearances.....Dec. 2 e100
Seattle Lake Washington bridge site chosen.....Aug. 22 23
Seattle Lake Washington runway extension on concrete pontoons..July 22 *23
Sicily bridge progress.....Sept. 9 45
South Carolina replaces old and narrow steel truss highway bridge with new spans.....Oct. 14 *35
Southern Pacific Railroad grade separation structure completed.....July 15 *42
Spokane, Wash., $4.6 million toll bridge proposed.....Oct. 7 257
Spokane, Wash. toll bridge approved Dec. 23 17

Bridge Design

Chicamauga Bridge presented special problems of clearance and access Dec. 2 (F) *38
Revised navigational requirements drafted by federal agencies...Nov. 4 26

Bridge Renewals and Repairs

Golden Gate bridge reinforcing completed.....Oct. 14 22
New York's George Washington Bridge toll plaza widening makes relocation of floodlights necessary. Goodman & Fox.....Aug. 5 (F) *29
Northern Pacific Railway bridge gets new center span.....Sept. 9 *24
South Carolina replaces old and narrow steel truss highway bridges with new spans.....Oct. 14 *35

Bridges

Boston Expressway extension requires several bridges.....Sept. 16 48
Buffalo, N. Y.
Bridge over Buffalo Ship Canal has longest steel girder spans....Dec. 9 *26
Waterfront bridge to contain record girders.....July 8 *28
Canada
Longest prestressed concrete bridge to be built.....Nov. 18 62
Marpole Highway Bridge will operate on toll basis.....Dec. 16 47
New B. C. bridge planned.....Dec. 2 42
Chicago's Calumet Skyway
Toll bridge, elevated roadway project nears construction stage....Dec. 30 17
Great Britain
1,100-ft. single-span arch bridge to link Widnes and Runcorn proposed Aug. 26 47
Kansas City, Mo.
Broadway Bridge project started Nov. 25 21
Louisiana
Lake Pontchartrain Bridge will be the longest in the world (man, tables) (unit prices)..Nov. 11 (F) *66
New Orleans Mississippi River bridge to set record.....Oct. 21 22
Michigan
Mackinac Straits bridge builders race against time.....Sept. 2 *26
Mackinac Straits bridge towers placed to moor pier.....July 15 25
New Jersey
Garden State Parkway uses novel prestressing techniques for bridges. M. E. Bender.....Aug. 19 (F) *32
New York City
Elimination of traffic bottleneck expected with bridge between Queens and Welfare Island.....Oct. 7 *77
George Washington Bridge — toll plaza widening makes relocation of floodlights necessary. Goodman & Fox.....Aug 5 (F) *29
New York State
Thruway bridge going up across Hudson River.....Aug. 19 *28
Philadelphia survey finds 54 bridges unsafe.....Sept. 23 46
San Francisco, Calif.
Bayshore Freeway bridge wins award Sept. 30 *24
Bidding authorized on two projects July 1 28
Golden Gate bridge new approach Dec. 23 *19
Richardson Bay bridge contract bidding close.....July 29 26
Richmond-San Rafael truss erection speeded with aluminum spans, 280 ft. long.....Nov. 4 (F) *33
Seattle, Wash.
Concrete pontoons for runway extension across Lake Washington July 22 *23
Lake Washington site chosen. Aug. 22 23
Tampa Bay, Fla.
Second prestressed bridge under way Nov. 11 26
Sunshine Skyway will double region growth rate (map)....Sept. 2 (F) *30
Texas
Surfside Bridge across Intra-Coastal Canal solves traffic problem..Aug. 5 *26
Tennessee
Chicamauga Bridge presents special problems.....Dec. 2 (F) *38
Washington
Northern Pacific Railway bridge gets new center span.....Sept. 9 *24
Spokane toll bridge approved. Dec. 23 17
Spokane toll bridge proposed..Oct. 7 257

Building Accidents and Failures

Buffalo housing project—concrete in foundation walls losing strength Dec. 2 25
Collapse of concrete rigid frame blamed on reinforcing details....Nov. 11 (F) *36
Lift-slab roof for Serra High School, San Mateo, Calif., collapsed when pipe columns failed.....July 29 *25

Building Construction

Airport terminals being built in stages to meet expansion requirements. F. S. Merritt.....Nov. 18 (F) *34
Asphalt Institute to build research laboratory.....July 8 28
Australia precasts plaster in room-size units for prefabricated buildings Aug. 19 *67
Azores Air Force Base project to employ precast concrete for 20% saving Aug. 5 (F) *41
Baltimore state office center project Nov. 18 32
Buenos Aires reservoir of reinforced concrete differs radically from the present all-metal ones.....Nov. 11 *46
Chemical company plans $65 million plant in B. C. .....Dec. 23 33
Chicago builds first skyscraper in 20 years with special features Dec. 16 (F) *35
Cleveland, Ohio building expands and contracts when internal temperature rises .....Nov. 11 *26

* Illustrated; e, editorials; (F) Articles over a page

Cleveland, Ohio repaired building achieves better daylighting..Aug. 12 *38
Concrete building at Clayton, Mo. roof supported on triangular end walls July 15 *24
Concrete plates form low-cost factory roof. M. S. Ketchum....Sept. 2 (F) *38
Concrete rigid frame collapse blamed on reinforcing details....Nov. 11 (F) *36
Coordinated building research..Aug. 12 e128
Costs
American Appraisal building cost index (table).....Oct. 7 101
Boeckh index of building costs (tables).....Oct. 7 105
Cost comparisons refined by adjusting for both area and time differentials. J. M. Ruddy (tables).....Oct. 7 186
ENR construction and building cost indexes (chart).....Oct. 7 83
ENR cost indexes in 21 cities (charts) Oct. 7 88
ENR cost indexes in 21 cities 1948-54 (tables).....Oct. 7 95
Handy-Whitman index of public utility costs (table).....Oct. 7 109
Hospital costs—adj. to Jan. 1954 and Long Island prices (tables)..Oct. 7 186
Manufacturing plant cost index (charts).....Oct. 7 125
Rockrooms in Sweden. S. G. A. Bergman (table).....Dec. 9 (F) *37
Covington, Va. paper wastes treatment plant points way for an industry. Eckenfelder Jr. & Moore (tables) Dec. 2 (F) *30
Dallas, Tex. aluminum clad skyscraper boasts lightest insulated exterior wall to date.....July 15 (F) *30
Denver considers proposals for airport luxury hotel.....Sept. 30 38
Denver skyscraper floors go in fast with multi-purpose forms.....July 1 (F) *38
Federal aid for urban renewal opens new building market...Nov. 25 (F) *15
Federal building projects to be studied by advisory group.....Nov. 25 18
Ford builds largest auto assembly plant in Mahwah, New Jersey...Dec. 2 (F) *36
Hollywood, Calif. office building of circular design.....Sept. 2 *27
Hospital construction aid voted by Congress.....Aug. 26 24
Industrial building: this year and the next (chart & table).....Oct. 28 (F) 47
Las Vegas, Nev.—construction of 10 new hotels.....Nov. 25 21
Lease-purchase projects listed..Aug. 19 21
Lift-slab roof for Serra High School, San Mateo, Calif. collapses when pipe columns fail.....July 29 *25
Long spans and heavy load problems solved with use of high strength bolts and double girders in Milwaukee brewery addition. E. F. Vranich Oct. 28 (F) *26
MIT chapel will be a brick cylinder Sept. 23 *23
New York City is seeking authorization for construction of more than 20,000 dwelling units .....Nov. 25 20
N. Y. hotel penthouse construction speeded with long boom.....Dec. 23 *17
N. Y.'s Socony-Vacuum skyscraper to have stainless steel facing....Dec. 23 19
No substitute for manpower on this job —fitting glass sheets into exterior wall of Manufacturers Trust Co. office July 29 *26
Ohio State college schedule includes big construction program.....Oct. 21 42
Pittsburgh Hospital, Pa. (unit prices) Sept. 16 *91
Pittsburgh Steel's modernization of Monessen and Allenport plants—a challenge to ingenuity. H. J. Gehring.....Oct. 21 (F) *81
Pittsburgh to have motel across from airport.....Dec. 23 21
Plastics will give buildings curves, color. F. S. Merritt.....Nov. 4 22
Post Office plans for special-purpose buildings mean big market for builders.....Sept. 2 (F) 20
Precast framing speeds erection of Philadelphia low-cost housing Sept. 23 (F) *30
St. John's University starts $27 million building program on golf course site in Jamaica (Queens) N. Y. Dec. 23 (F) *26
Salt Lake City built wall-less garage Dec. 9 (F) *44
San Francisco's first aluminum skin building under construction....Dec. 9 30
Seattle, Wash. gypsum plant builds lightweight framed dome for gypsum storage pile.....Oct. 14 *37
Senate Public Works Committee gives conditional approval of first 10 lease-purchase projects.....Dec. 2 22
Shear wall construction reduces damage from cracking. William Cohen Sept. 9 (F) *35
Tallest prestressed concrete building constructed in Los Angeles Nov. 11 (F) *33
Thin, precast arches for Bank of England's new printing plant Nov. 18 (F) *56
Thinnest walls ever used for a building enclose Statler Hotel, Hartford, Conn, —Wall costs clarified. L. R. Nachman.....Sept. 16 8
$200 million in permits for Ft. Lauderdale in decade.....Dec. 16 77
Unique framing for earthquake resistance for San Francisco office building.....July 1 (F) *32
U. S. Air Force Academy—architect-engineers selected.....July 29 23
U. S. Air Force Academy preliminary planning underway.....Oct. 28 20
U. S. Air Force to rush Academy project.....July 1 21
Vermilpa-Brown — custom builder in an age of competition....Dec. 23 (F) *31
Washington, D. C. will start construction of research and teaching center at George Washington Univ...Nov. 25 22

Building Design

Airport terminal buildings present new designs. F. S. Merritt..Nov. 18 (F) *34
Arches for Union College Field House, Schenectady, N. Y. longest timber arches ever built.....Nov. 25 *18
Colored aluminum facade for Cincinnati office building.....July 1 23
Covington, Va. paper wastes treatment plant points way for an industry. Eckenfelder Jr. & Moore (tables) Dec. 2 (F) *30
Dayton high school with varying ground levels (unit prises)....Dec. *76
Denver, Colo. office building set on turntable will rotate to follow sun Dec. 23 20
Earthquake resistance
Palos Verdes oceanarium, S. Cal. has quakeproof tank.....Nov. 18 *55
Unique framing for San Francisco office building.....July 1 (F) *32
FCDA design standards for atomic age industrial buildings.....July 1 26
Framed dome for gypsum storage pile at Seattle, Wash. plant.....Oct. 14 *37
Grumman Aircraft's Peconic River plant—precast walls vs. hurricane A. H. Swanke.....Oct. 21 10
Grumman's jet-plane plant keeps out the noise.....July 29 (F) *32
History of shell design. Louis Balog Aug. 19 8
Hollywood, Calif. office building of circular design.....Sept. 2 *27
Houston, Tex. garage with aluminum-plastic skin; heliport may be added to roof design.....Oct. 14 (F) *40
How to design a folded-plate roof. M. S. Ketchum.....Sept. 2 (F) *38
How to prevent large-loss fires in factories.....July 15 (F) *28
Jersey City, N. J. industrial building outer walls are sandwich panels with stainless steel outer facing assembled in place.....Oct. 7 *78
Manufacturers Trust Fifth Ave., N. Y. bank vault in plain view, 10 ft. behind glass-walled building..Sept. 30 *22
MIT chapel will be a brick cylinder Sept. 23 *23
Modular concrete units, precast and prestressed developed for fast school construction in England..July 29 (F) *61
Modular measure for better designed buildings. F. S. Merritt....Dec. 16 24
New York skyscraper enclosed with aluminum panels in 10 hours..July 1 *23
Plastics will give buildings curves color. F. S. Merritt.....Nov. 4 22
Shear wall construction reduces damage from cracking. William Cohen Sept. 9 (F) *35
Thinnest walls ever used for a building enclose Statler Hotel, Hartford, Conn. —Wall costs clarified. L. R. Nachman.....Sept. 16 8
Toward greater use of modular sizes Dec. 23 e 64
Water reservoir in Buenos Aires resembles museum.....Nov. 11 *46
York, Pa. sewage treatment plant July 1 (F) *45

Building Design see also Beams, Concrete, Girders, Heating & Ventilating, Roofs

Building Laws and Regulations

Buffalo opposes amendment to allow use of aluminum and steel panels on exteriors of new buildings..Dec. 23 21
Campaign for county-wide setup gains momentum in Miami.....Oct. 7 257
Canada's national code the latest in building codes. R. F. Legget Aug. 19 (F) *48
Coordinated building research Aug. 12 e 128
Don't overlook erection stability Aug. 5 e 96
Drastic actions against contractor in Mexico City for refusing to follow zoning codes.....Dec. 2 *40
FCDA design standards for atomic age industrial buildings.....July 1 26
Fire prevention—enforce codes. A. H. Baum.....Sept. 30 10
Hartford deserves credit. J. E. Ryan July 1 10
New York City seeks heavier penalty for code violations.....Aug. 5 47
North Carolina State Building Code relaxed.....July 8 60
St. Louis amends building code to permit metal panels in exterior walls of large buildings.....Dec. 23 21
Unique framing for earthquake resistance enable skyscraper to meet San Francisco's building code..July 1 (F) *32
Urban redevelopment laws face test Sept. 30 22
Building Research Advisory Board—Meeting praises modular coordination. F. S. Merritt.....Dec. 16 24

Buildings

Baltimore, Md.
State office center project....Nov. 18 32
Buenos Aires, Argentina
Water storage building will resemble anything but a reservoir..Nov. 11 *46
Canada
Block-size post office slated for Vancouver, B. C.....July 1 52
Chemical company to build $65 million plant in B. C.....Dec. 23 33
Chicago, Ill.
41 stories in steel—first skyscraper in 20 years.....Nov. 18 *22
Prudential's skyscraper..Dec. 16 (F) *35
Cincinnati, Ohio
Colored aluminum facade for office building.....July 1 23
Clayton, Mo.
Concrete building roof supported on triangular end walls.....July 15 *24
Cleveland, Ohio
Better daylighting in repaired building.....Aug. 12 *38

Support to build three low-level hydro dams .....Dec. 2 23
Hoover Dam, Ohio
City dam project nears completion but reservoir use will be delayed Oct. 7 *260
Hungry Horse Dam, Mont.
Spillway tests successful.....Oct. 14 *24
India
Kosi Dam plan abandoned..Aug. 12 58
Nangal Dam opened.....July 22 *48
Tansa Dam strengthened with steel cables averts Bombay water supply disaster.....Sept. 30 *29
Tungabhadra Dam completed..Aug. 19 *70
International Commission on Large Dams change date for study tour in France .....Oct. 14 28
Isleta Diversion Dam, N. M.
Bids opened (unit prices)....Dec. 2 76
Long Sault, N. Y.
Unit prices.....Aug. 12 22
Lookout Point Dam, Ore.
Work nears completion.....July 22 *25
Mayfield Dam, Wash.
Tacoma will call for bids....Nov. 11 29
McNary Dam, Ore.
Dedication by Pres. Eisenhower Sept. 30 *21
Mianus River, Conn.
Dam and reservoir (unit prices) Oct. 7 232
Noxon Rapids, Mont.
Washington Water Power files permit to build $87 million dam..Dec. 23 25
Oahe Dam, S. D.
Army Engineers ask bids.....Oct. 7 74
Engineers attack landslides...Dec. 9 *25
New machine speeds large bore tunneling .....Dec. 2 (F) *24
Palisades Dam, Idaho
Chain link fencing used as a retaining mat to prevent landslides Aug. 12 *25
Pennsylvania
Twin cableways used to set crest gates at Shawville plant dam Dec. 23 *29
Portugal
Cabril Dam dedicated.....Aug. 19 *72
Richville Dam, Vt. (unit prices) Oct. 7 217
Rio Grande, N. M.
Texans demand more dams for flood control .....July 15 24
Roanoke Rapids, N. C.
Tailrace and powerhouse excavation total over million yards of granite July 22 (F) *31
Table Rock Dam, Mo.
Bid 13% under estimate (unit prices) Dec. 23 45
TVA's Chickamauga Dam
Bridge presents special problems Dec. 2 (F) *38
Tiber Dam, Mont.
Work moves forward.....Dec. 16 *22
Wanship Dam, Utah
Unit prices.....Oct. 28 46

Defense

Air Force's offshore radar platforms: a challenge to builders. J. J. Albers Nov. 25 (F) *27
Air Force to house stockpile of machine tools in old mine.....Nov. 11 *24
Alaska military pipeline—new $29-million link in U. S. defenses...Oct. 28 *18
Army to build Nike base around San Francisco Bay .....July 15 22
FCDA design standards for atomic age industrial buildings.....July 1 26
Labor trouble slows critical defense work.....Nov. 18 158
Nike guided missile air defense installations delayed.....Sept. 9 23
Nike installations guard against air attack .....Oct. 14 *25
Rock chambers as bomb-proof shelter for submarines and destroyers in Sweden. G. Westerberg..Dec. 9 (F) *33
Sea-going drillers get radar platform data. R. H. Dodds.....Oct. 14 (F) *38
U. S. moving fast to build huge radar net .....Aug. 12 (F) 23
Dikes—Pile dikes and revetments in Missouri River (unit prices).....Oct. 7 218

Drainage

Drilled ground water drains prevent landslides at Oahe.....Dec. 9 *25
Mexico City canal to improve drainage system.....Sept. 16 51
Oakland, Calif. has automatic storm-water pumping station.....Nov. 11 28
Water resource development should be conducted on a drainage basin basis Dec. 9 22

Dredges and Dredging

Canadians ask bids for dredging Seaway channel.....Oct. 14 25
Largest dredges in world to uncover iron ore in Steep Rock Lake, Ont. Sept. 23 *24
Offutt Air Base job—dredge moved cross-country to pump fill on runway extension.....Aug. 5 *25
Louisiana canal channel (unit prices) Oct. 14 57

Drills and Drilling

Mobile offshore drilling rig in operation off the Texas coast.....Dec. 9 *23
Oil drilling movable platform in Persian Gulf is positioned by barge, legs dropped to bottom and platform jacked to final level.....Nov. 4 *46
Roanoke Rapids project—job-built drill speeds long tailrace excavation July 22 (F) *31
Sea-going drillers get radar platform data. R. H. Dodds.....Oct. 14 (F) *38
U. S. moving fast to build huge radar net .....Aug. 12 (F) 23
Drought—Current drought makes control of water use urgent....Aug. 26 (F) *21

Drydocks

Floating dry dock leased to the Port of Portland by U. S. Bureau of Yards and Docks.....Sept. 16 *26
Framing precast for floating drydock for the Navy at Seattle, Wash. Sept. 16 (F) *40
U. S. Navy's floating concrete drydock Oct. 28 *21
Du Pont, Francis V.—moves up into the key job for the highway building program.....Nov. 18 (F) *21
Dust—Current drought makes control of water use urgent.....Aug. 26 (F) *21

E

Earthfill

Cherry Valley dam job shifts out of high (map).....Aug. 26 (F) *30
Corrugated culvert proves successful under pressures of 137-ft. high fill July 29 (F) *43
Garvey Reservoir fill laid fast with small diameter rollers....Aug. 19 (F) *46
Offutt Air Base—dredge moved cross-country to pump fill on runway extension .....Aug. 5 *25
Electric Transmission — 75-mile power line at Charlotte, N. C., goes up in 200 days.....Nov. 18 (F) *51
Elevators—No operators for record speed elevators in Chicago's tallest building Dec. 16 (F) *35

Engineers

ASCE president reveals bid definition study.....Oct. 28 15
ASEE urges broader curricula..July 1 28
AWWA officer says standards of U. S. water industry need uplifting to attract engineers.....Nov. 4 23
Architect-engineer new business in '53—by size of firm and type of work (table).....Aug. 12 101
Better engineering teaching....Aug. 26 e88
Bidding by engineers. A. M. Lount Jr. July 8—8. H. M. Hadley Aug. 12—12. Correction Sept. 30—12, R. C. Walker Oct. 21 10
Bidding clarification promised..Nov. 4 e112
British engineer to succeed Wheeler as engineer adviser to World Bank Aug. 5 26
Consulting engineers handle big volume (chart).....July 15 30
Don't forget the county engineer Oct. 21 e88
Electric brains for civil engineers Aug. 5 e98
Engineers in politics.....Dec. 23 e64
Florida engineers merge two professional groups .....Sept. 16 26
Help available—for alleviating shortage of engineers. J. J. O'Mara Dec. 2 12
Help for engineering schools....Dec. 9 e128
Highway engineers given pay raises in Virginia.....Dec. 30 17
IRF creates foundation for foreign road students.....July 1 28
Is our roadbuilding capacity big enough? (charts & tables)..Dec. 30 65
Kansas engineering groups achieve unity by merger.....Oct. 14 38
Military engineering careers. Lt. Col. A. F. Meyer Jr.....Oct. 14 8
NSPE criticizes new Social Security law.....Sept. 2 22
New York City would be location of new building for engineering societies Nov. 25 18
Ohio may fan the flames on unionization .....July 22 24
Ohio Society wins round in fight against unionization.....Nov. 11 28
Praise for municipal engineers..July 8 e156
Professional matters get new emphasis at ASCE convention.....Oct. 28 (F) 15
Soil mechanics on a world-wide scale. Dames & Moore.....Oct. 28 (F) *30
Unwelcome neighbors.....Sept. 30 e72
Why race with Russia?.....Nov. 25 e64
Etcheverry, B. A.—irrigation authority dies .....Nov. 4 26
Explosions—Philadelphia gas explosions due to over-age mains, sewers Sept. 9 40

F

Fair, Gordon Maskew—of Harvard—master of the house—and much of what he surveys. A. J. Fox Jr..Dec. 2 (F) *52
Federation of Sewage & Industrial Wastes Assn.
Annual meeting—High-rate sludge digestion debated.....Oct. 21 *26
Lee, David B.—new president.Sept. 30 *42

Financial

AASHO endorses President's $50-billion highway program .....Nov. 18 23
Business plans less capital spending Sept. 16 93
Capital spending to drop.....Dec. 16 79
Capital spending will stay high next year (tables).....Nov. 11 (F) 69
Citizens Commissions report indicates authority-financing to handle $32-billion construction needs.....Dec. 9 22
Commerce Dept. confers with industry spokesmen .....Dec. 2 83
Democratic Congress — financing projects rely on federal budget Nov. 11 (F) *21
FRB boosts banks lending power July 1 70
Federal contracts make a comeback (chart).....Nov. 25 47
Federal funds for interstate highway construction.....Dec. 9 23
Heavy year-end financing trimmed to size.....Dec. 16 77
Installment buying of sewage plants. S. I. Zack.....Sept. 2 (F) *34
Municipal bond market absorbed huge volumes of construction financing Nov. 18 151
Plans for international financing concern the construction industry Nov. 18 152
Wall Street ready to handle heavy construction financing.....Sept. 16 93

Fire Protection

Enforce codes, stop fires. A. H. Baum Sept. 30 10
Fire losses must be reduced....Nov. 18 e172
Ford's auto assembly plant features complete sprinkler coverage Dec. 2 (F) *36

* Illustrated; e, editorials; (F) Articles over a page

How prestressed concrete fared in fire Oct. 28 17
How to prevent large-loss fires in factories.....July 15 (F) *28
Relearning an old lesson.....Aug. 19 e180
Seattle, Wash. replacement for burned wharf will have built-in controls Sept. 2 46
Steel-H-piles with gunited coatings driven for first time in San Francisco wharf.....Oct. 21 (F) *34
Fish—Downstream escape for fish—a current problem.....Aug. 26 38

Floods and Flood Protection

Chicago River overflows as result of heaviest rainfall in 69 years..Oct. 21 *23
Congress authorizes 165 projects in $1-billion omnibus flood control bill Aug. 26 27
Des Moines flood—twice the storage. J. H. Pell.....Aug. 19 10
First Fork Dam for flood-control is state-financed. A. E. Niederhoff Aug. 12 (F) *40
Flood damage can be cut.....Oct. 28 e68
Hurricane Hazel causes damage to U. S. 10-state area; Toronto gets disastrous flood.....Oct. 21 23
Milestone in flood control.....July 1 e96
Ohio River Valley flood control works prevents great damage.....Oct. 28 20
Pittsburgh suburbs are joining forces in flood control commission..Nov. 25 20
Rio Grande floods.....July 8 28
San Antonio Flood Control Reservoir (unit prices).....July 1 67
Strengthened levees hold against peak flood crest in Des Moines, Iowa July 1 24
Texans demand more Rio Grande dams July 15 24
Tiber Dam project may withstand next spring's floods.....Dec. 16 *2
Toronto damage from hurricane and floods to amount to $100 million Oct. 28 21
Value received for flood control..July 15 e108

Floors and Flooring

Denver skyscraper floors go in fast with multi-purpose forms..July 1 (F) *38
Four floors of prestressed concrete placed in Los Angeles office building Nov. 11 (F) *2
Florida Engineering Society—Merging of two professional groups.....Sept. 16 26
Fluoridation—Boom to follow Supreme Court decision.....Dec. 16 24

Foundations

Caisson foundations for Chicago's tallest building.....Dec. 16 (F) *35
Concrete-cylinder foundations and concrete-encased steel-truss-frames features of unusual off-shore pier. P. P. Wilson.....Sept. 23 (F) *33
Concrete in foundation walls losing strength in Buffalo housing project Dec. 2 25
Concrete mats placed in 13-hour pour for New York housing project..Dec. 2 *26
Offshore radar platforms: a challenge to builders. J. J. Albers..Nov. 25 (F) *27
Orebridge track stabilizer. B. J. Prugh (chart).....Sept. 9 (F) *32
Paper forms solve tough foundation problem. E. L. Scruggs.....Dec. 9 *48
Settlement from vibrations....July 29 8
Soil vibration tests. S. Steuerman July 29 10
West Coast brewery features bell caissons, tapered girders..July 1 (F) *37

Fuel

First well off the Texas coast drilled with offshore drilling rig....Dec. 9 *23
Petrochemical industry fast-growing (map).....Sept. 16 (F) 94
Standard Oil, N. J. converted slate quarry into fuel oil storage reservoir Sept. 16 *24

G

Garages

Chicago's new underground garage eases parking problems..Sept. 16 (F) *44
Cleveland drops Mall garage...July 22 42
Houston, Texas garage with aluminum-plastic skin; heliport may be addition to roof design.....Oct. 14 (F) *40
Milan's four-story garage to be built underground.....Sept. 23 53
Milwaukee, Wis. downtown parking structure planned.....July 1 51
Phoenix, Ariz. plans five-level garage July 29 56
Salt Lake City builds wall-less garage Dec. 9 (F) *44
Stockholm, Sweden, underground garage can be used as shelter. G. Westerberg.....Dec. 9 (F) *33
Garages see also Street Traffic-Parking

Garbage and Refuse Disposal

Indianapolis sanitation plant's new garbage incinerators.....Dec. 2 28
San Diego may halt production of sludge humus as price drops.....July 1 50

Girders

Buffalo, N. Y. waterfront bridge to contain record girders.....July 8 *28
High strength bolts and double girders solve long spans and heavy loads problems in Milwaukee brewery addition. E. F. Vranich.....Oct. 28 (F) *26
Long welded girders abroad. N. Champsaur.....July 8 8
Longest steel girder spans over Buffalo Ship Canal.....Dec. 9 *26
Ring girders form floors, provide seismic bracing in four-story oceanarium at Palos Verdes, Cal.....Nov. 18 *55
Trucks make counterweight to align bridge girders.....Aug. 19 *25
West Coast brewery features bell caissons, tapered girders.....July 1 (F) *37
Glidden, W. R.—Virginia highway bridge engineer heads ASCE.....Oct. 14 25
Grade Crossings—McKeesport, Pa. and Baltimore & Ohio Railroad agree on getting rid of grade crossings..Nov. 18 30
Grain elevators—Conveyor bridge for storage bins placed in 15 minutes Aug. 26 *27

H

Hale, Hal H.—leaves AASHO....Nov. 18 *23

Heating and Ventilating

Automatic unit ventilators installed in Seattle's Battery Street Tunnel Nov. 11 28
Chicago's tallest and finest office building has personal air conditioning, pneumatically, sealed aluminum windows.....Dec. 16 (F) *35
Electric water heater on bottom of Lake Ontario ends ice problem Nov. 11 38
Seattle, Wash. vehicular subway employs unit blower system Aug. 5 (F) *44
Highway Accidents—Automobile Club of Washington brings suit against Seattle for using street-fund money to pay for judgment from traffic accident..Dec. 23 21

Highway Administration

California meeting debates toll roads vs free highways.....Aug. 5 24
Confused highway planning.....July 1 e96
Eisenhower's Grand Plan for Roads—report (charts & tables) Dec. 30 *23-102
Florida State Road Board to employ private engineers.....Sept. 9 22
Kansas Turnpike consulting engineers named.....Oct. 7 78
New York State Thruway Authority's loose specifications irk sanitary engineers.....Aug 26 26
Ohio hires engineer firms to speed highway program.....July 8 25
Ohio may fan the flames on unionization.....July 22 24
Ontario roads department reorganized July 15 (F) 46
Pennsylvania highway men indicted by special grand jury.....Oct. 14 25
Proper regional road planning July 29 e116
Richmond-Petersburg Turnpike authority ready for engineering surveys Aug. 19 152
Right-of-way acquisition—biggest roadblock.....Dec. 30 *96
Sound start on road planning Aug. 5 e 96
Texas Turnpike Authority advances toll road plans.....Dec. 30 19
Toll roads ruled out in Arkansas, Wisconsin.....Dec. 23 16
U. S. Chamber of Commerce sponsors highway conference.....Sept. 2 27
Virginia turnpike authorities elect officers.....July 22 23

Highway Construction

Adequate roads in our time..Dec. 30 e 144
Arab expressway planned.....Aug. 12 60
Bid competition tightens in Ohio Sept. 23 69
Bidding stays tight.....Oct. 21 66
Boston Expressway—extension route set.....Sept. 16 48

Water Resources

California engineer asks tax to finance water projects .....Aug. 5 22
Caution warranted .....July 22 e88
Current drought makes control of water use urgent .....Aug. 26 (F) *21
Federal undertakings .....Dec. 16 23

Legislation needed to clear up water policies ....Dec. 9 22
NRA annual meeting discusses water resources conservation ....Nov. 18 25
River development; private enterprise can handle it too....Aug. 12 46
7 Columbia Basin states agree on unique code ....Nov. 18 25
World water needs reported in UN survey ....July 1 53

Water Supply

Australia's record dam for water supply features an unusual concrete plant ....Sept. 2 (F) *52
Authority buys canal system as part of Texas water deal ....Aug. 5 49
Buenos Aires water storage building ....Nov. 11 *46
California begins boring of water tunnel ....Aug. 19 23
California reclamation project turned over to water users ....Oct. 21 26
Charleston, S. C. one-in-a-million water supply project begun (map)..Oct. 21 41
Charleston, S. C. project begun—Billions not millions. A. M. Field ....Nov. 25 8
Chicago's growth demands new agency for water and sewage needs...Dec. 30 19
Civil defense rushed water line to Gastonia, N. C. to aid drought-stricken city ....Oct. 7 263
Current drought makes control of water use urgent ....Aug. 26 (F) *21
Denver orders recirculation of water ....Dec. 9 27
Denver's plan to bring Blue River water to city delayed....Nov. 4 28
Dutch engineer to advise on salt water barrier in San Francisco Bay..July 1 28
Extensive storage facilities planned at Greensboro, N. C.....Nov. 11 29
Greensboro, N. C. water supply replenished by Hurricane Hazel...Oct. 28 22
Indiana commission to study water problems and recommend legislation ....Sept. 16 24
Kansas City, Mo. puts curb on air conditioners in alarm over increased water waste ....Aug. 19 60
Lake Ontario gets water heater to raise water rate curtailed by ice...Nov. 11 38
New Hampshire waterworks (unit prices) ....Aug. 26 66
N. J. legislature fails to act before deadline required for vote on bond issue ....Sept. 30 20
Omaha's new water reservoir leakage reduced with silicones....Nov. 18 *48
Pendleton, Ore. employs electric eye to observe water supply turbidity ....July 22 *36
Plato, Minn. waterworks (unit prices) ....Oct. 21 60
Real estate utilities....Nov. 25 e64
Reclamation Bureau completes study for $230 million California project (map) ....Oct. 7 76
Sacramento city bucks mill construction in battle for clean water....Aug. 5 46
Survey covers 560 cities....Aug. 12 52
Tansa Dam, India, strengthened with steel cables averts Bombay water supply disaster....Sept. 30 *39
Texas water line (unit prices)..Dec. 2 76
Waterworks cost indexes (chart & tables) ....Oct. 7—127, 209

Water Treatment

California utility decides on sea water evaporators ....Aug. 19 23
Chicago filter plant construction approved ....Oct. 28 18
Dutch engineer to advise on salt water barrier in San Francisco Bay..July 1 28
Fluoridation boom to follow Supreme Court decision ....Dec. 16 24
Philadelphia plant to be built..Oct. 21 43
Salt water barrier for San Francisco Bay questionable ....Oct. 14 23
Seattle to redesign proposed Alki plant to provide primary treatment..Nov. 4 30
Tonawanda, N. Y. plant (unit prices) ....Oct. 7 228

Waterways

Europe seeks new links in its waterway system ....Aug. 5 50
Florida group asks restudy cross-state waterway plan ....Aug. 19 29
Inland waterways — misplaced town. W. V. Weir....Sept. 23 10
Lake Erie-to-Pittsburgh waterway plan revived ....Aug. 26 26
Missouri River traffic up to record this year ....Sept. 9 36
St. Lawrence Seaway
Army Engineers to supervise ....Sept. 9 22
Bid calls for two structures..Dec. 2 25
Canada launches power job (map) ....Sept. 2 (F) *24
Canadians ask bids for dredging channel ....Oct. 14 25
Castle, Lewis C.—nominated administrator ....July 1 24
Engineers picked ....Aug. 26 24
Financing arranged ....July 1 24
Kentucky firm bids less than half of estimates for first U. S. contract ....Dec. 23 17
Kytoons used for mapping riverbed ....Nov. 25 *19
Long Sault—unit prices....Aug. 12 22
Officials rule out big locks..Nov. 25 19
Plans for deepening Great Lakes channels ....Dec. 9 24
Power project bids called....July 15 *23
St. Lawrence power means more construction of many kinds....Dec. 23 47
Seaway officials ....Aug. 19 24
Subsidizing the St. Lawrence Seaway ....Aug. 26 e88
Taming the wild waters of the St. Lawrence. A. J. Fox Jr...Nov. 4 (F) *24
U. S.-Canadian agreement forecasts early start on construction..Aug. 26 *23
Work starts ....Aug. 12 (F) *21
There's new blood in our streams—report on U. S. inland waterways (maps) ....Aug. 5 (F) *34

Weather

Precipitation and temperature in 20 cities (tables) ....July 22 29
Aug. 26—41, Sept. 23—28, Oct. 28 38
Nov. 25—34, Dec. 23 30

Wells

Intercepting wells insure against slides by easing pressure....Dec. 9 *25
Orebridge foundation corrected with permanent wellpoint installation. B. J. Prugh (chart)....Sept. 9 (F) *32

Wharves and Docks

Concrete-cylinder foundations and concrete-encased steel-truss-frame features of unusual off-shore pier. F. P. Wilson ....Sept. 23 (F) *33
Floating dry dock leased to the Port of Portland by U. S. Bureau of Yards and Docks ....Sept. 16 *26
Floating seaplane dock at San Diego, Calif. is prestressed. Ens. J. Madison ....July 15 (F) *34
Missouri River cities to study dock modernization ....Nov. 11 25
N. Y.'s Pier 57 opened....Dec. 30 *19
Port of N. Y. Authority and American Export Lines sign lease assuring $15 million in construction....Aug. 5 *23
Seattle, Wash.—Navy gets floating drydock ....Sept. 16 (F) *40
Seattle, Wash. replacement for burned wharf will have built-in controls ....Sept. 2 46
Steel-H-piles with gunited coatings driven for first time in San Francisco wharf ....Oct. 21 (F) *34
Suspended-span deck prestressed ....Aug. 26 (F) *36

Windstorms

Boston TV tower toppled by high winds ....Sept. 9 *26
Hurricane Carol lifts steel barge atop two cofferdams of new bridge over Sakonnet River, R. I.....Dec. 30 *20
School in Waltham, Mass.—hurricane vs. lift slab. R. M. Egelhoff..Oct. 28 9
Toronto damage from hurricane and floods to amount to $100 million ....Oct. 28 21
U. S. suffers damage in 10-state area; Toronto gets disastrous flood as result of Hurricane Hazel....Oct. 21 23
Wood—Electronics testing building of wood at Seattle, Wash.....July 8 *27
World Symposium on Solar Energy planned ....Aug. 19 50
